

ENR CA & NW 2020 Top Project Starts

The **March 29** issue of **ENR California & Northwest** magazine will feature the top project starts in **California, Alaska, Hawaii, Oregon and Washington** that broke ground in 2020. To have your project considered, please complete this form by Thursday, **Feb. 18**.

The annual Top Project Starts is an editorial feature and the ranking is determined by contract value of the top construction projects that broke ground the previous year.

If you are an owner, general contractor or design firm and would like a project you are involved in to be considered for this editorial feature, please complete the form below following these guidelines:

Eligibility: To be eligible, the project must be located in **California, Alaska, Hawaii, Oregon and Washington New Mexico and Nevada** and have **started substantial construction** between **January 1, 2020** and **December 31, 2020**. There is no limit to how many projects your firm can enter.

Please use a separate form to submit each project.

Images: Please submit a high-resolution color photograph or rendering for each project. Preferred file formats are jpeg files, 300 dpi at 100% of an image that is 4 x 6 inches or larger.

DEADLINE: February 18, 2021

Note: This ranking is separate from our annual Best Projects Awards competition, which will occur later this year.
